I think this is what you actually wanted... not landfills, but, debris staging areas..... click on link (or copy and paste to browser)..... scroll down to "Waste Management Guidance" and then click the first link marked: "[TCEQ Authorized Temporary Debris Management Sites and MSW Landfills](#)"

Link here: <https://www.tceq.texas.gov/response/hurricanes>

Subject: landfills ????

Does the state have an information to share on location and number of landfills to be used for hurricane debris disposal?

Please send a reply to all.
